SUBJECT:—*Import Policy for Registered exporters for the period April 1968—March, 1969—certification of exports by the exporter's banks in the prescribed form.*

No. 251-ITC(PN)/68.—Attention is invited to Chapter V of the Import Trade Control Hand Book of Rules and Procedure 1968 relating to the procedure for claiming replenishment licences under the Import Policy for Registered Exporters. In para 111 thereof, the procedure regarding certification of exports by the exporters' banks has been laid down. The specimen forms of the Bank Certificate of exports are at Annexure III to Appendix 4 of the aforesaid Hand Book of Rules & Procedure.

2. The forms of bank certificate have now been reviewed and it has been decided that the existing forms may be substituted by revised Bank Certificate forms. The specimen form of the revised Bank Certificate relating to the following types of exports are enclosed:

Form No. 1 relating to exports on the basis of outright sale of items other than gem and jewellery and cinematographic films items;

Form No. 2 relating to exports on consignment basis of items other than gem and jewellery and cinematographic films;

Form No. 1 will be used in the case of outright sale.

Form No. 2 will be used in the case of exports made on consignment basis and will be certified by the bank concerned only after the exports sale proceeds have been realised and surrendered to the Indian Exchange Control.

3. As per paras 111(3) and 111(5), as modified by Public Notice No. 203-ITC-(PN)/68 dated 17th September 1968, the exporter's banks after countersigning the declaration of exports are to pass on one copy of the declaration along with a copy of the invoice to the licensing authority named in the declaration, hand over one copy to the exporter and retain the third copy for their own record. The exporter at the time of submitting his application for grant of replenishment licences in accordance with the prescribed time schedule has to quote in the application the number and the date of the certificates issued by the banks for each of the shipments covered in the application and has also to enclose a copy of each of such Bank Certificates with the application.

4. On representations having been received from various trade organisations, the provisions referred to in para 3 above have been reviewed and it has now been decided that the banks, after verifying and countersigning the certificate in the enclosed forms will, instead of passing on the original certificate direct to the licensing authority, hand over the same to the exporter concerned along with the relevant copy of the bank attested invoice. The exporter will, at the time of submission of the application for grant of replenishment licence, enclose the original certificates and relevant copies of the bank attested invoices received by him from his bank. The other documents like Customs attested Shipping Bills etc. will continue to be submitted by the exporters along with their applications. In the case of exports on consignment basis exporters will also be required to submit with their applications original Bill of Lading/PP Receipt/Airway bill and also evidence regarding insurance.

5. It has also been decided that where the banks do not verify the freight and/or insurance charges in the bank certificate, it will be incumbent upon the exporters to submit along with their application for replenishment licence, documentary evidence indicating freight and insurance charges. Where they fail to do so, the licensing authorities will make their own assessment of these charges *i.e.*, freight and insurance charges and make suitable deductions on that account from c.i.f./C&F value for the purpose of arriving at the f.o.b. value.

6. Attention of the Registered Exporters is also invited to para 115 of the aforesaid Hand Book. In consequence of the amendment in the procedure referred to in para 4 above, the bank certificate and bank attested copy of the invoice will now have to be submitted along with the application in the case of exports of goods except (i) gem and jewellery items; (ii) cinematographic films (ex 'osed); (iii) books, journals and periodicals by post; and (iv) exports by V.P.P. Thus, in terms of para 115 of the Hand Book, the applications relating to the exports of Books, journals and periodicals by post; and (iv) exports by V.P.P. Thus, in documents are not enclosed with the application and are received subsequently after the prescribed last date for receipt of application:—

(a) Treasury Challan for Rs. 50;

(b) One copy of the shipping bill in respect of each shipment duly authenticated by the Customs;

(c) Bank Certificate in original in appropriate form; and

(d) Bank attested copy of the exporter's invoice.

7. The above decisions will be applicable in respect of exports effected on or after 1-1-1969 excepting in the case of gem and jewellery items and cinematographic films.
